On Cape Cod, a local landmark property has come on the market at \$7,295,000. Located in the gated Oyster Harbors section of Barnstable, the waterfront estate has a large main house, a guesthouse and 200 feet of private beach.

This aerial view shows how large the property is.

The 3,700-square-foot main house has five bedrooms with four and a half baths. The guesthouse has an additional four bedrooms and three baths. Set on more than one acre, the property features an in-ground pool, brick patios and even a windmill. **Paul Grover of Kinlin Grover GMAC has the listing.**
